Web Design For Young Athletes brought to you by

**MARCH 24, 2017 9:30AM-2:30PM
MAIN ST COMMUNITY SCHOOL**

located at Prairie Phoenix Academy
160 South Street
Sun Prairie, WI 53590

This workshop is specially designed for young athletes in grades 5-9 to build their own personal recruiting website. Athletes will learn HTML, CSS and website layout design, take action shots in the gym (if needed), and leave with their own custom built site that's ready to publish online.
