

# LEARN HOW TO BUILD A MOBILE APP AND WEBSITE

Join the **colorcoded** after school coding club!

## club schedule

### build a mobile app

#### february

Learn the basics of mobile app design using Google App Inventor.

Each week, students will build a new mobile app and install it to a mobile phone.

*Loaner phones are provided.*

#### march

Learn to work in small groups to design and build your own app.

At the end of the month, students will present their apps and compete for prizes.

### build a website

#### april

Learn the heart of website coding with html and css.

Explore online tools to build websites.

#### may

Learn to work in small groups to design and build your own website.

At the end of the month, students will present their websites and compete for prizes.

**James Wright Middle School**  
**Feb. - May, 2017**  
**Tuesdays 3:30-4:45p**
